

An International Camp is a special place. Here you will be able to meet lots of Scouts from all over the United Kingdom and from other Countries.

As part of the organised programme, you will be able to find out about issues that affect the world and you might be able to develop some solutions. Check in the International Marquee – there will be evening events and a chance to chat with others over a cup of coffee.

Scouting has a unique network of more than 30 million members.

We all make a Promise – part of which is about helping other people. But to do this, we need to understand each other better.

I'm a Global Explorer provides an opportunity to try out new things, meet new people, establish lasting friendships and make a difference to the world in which we live.

Let's do it! Be a Global Explorer

Complete all 10 challenges. To assess how well you have completed the challenges, have a chat with others in your group. They'll be interested in what you are doing and will be able to tell what they've done. Get your sub-camp team to sign off the bits you've done as you go along. When all 10 boxes on the reverse of this card are stamped, hand in the card to the International tent.
