### Leaders Information Leaflet

Dear Contingent Leader

With just under 3 weeks to CamJam, excitement mounting and the last two plus years of hard work coming to fruition we are all looking forward to meeting everyone.

For those of you who have still not sent in the final photographs and other any other outstanding forms, please do so as soon as possible in order to make your arrival as smooth as possible. When you arrive you will be directed to your sub camp, the contingent leader will then report to the Admin Office at the Information Centre to collect scarves, passes etc.

This Leaders Information Leaflet will hopefully answer most of the general questions you may have, but please do not hesitate to contact me if you have any further queries. A camp brochure together with map of the site will be in your contingent pack, which will be issued to you on arrival.

A camp badge is enclosed for each contingent member and leaders. The badge may be worn on uniforms in line with Rule 10.33 in POR. If by any chance a mistake has been made with regard to the number of badges sent this will be rectified when you book in.

As this will be the last mailing that I shall be sending out do keep an eye on the website for details of the activities and events that will be at CamJam together with any further information which will be posted as it becomes available.

Kind regards

*Jane Warren*
